

Joel Wilson

Joel moved to New Mexico in 2018. He quickly got engaged in the community, helping neighbors and offering his services with solar and other handy man jobs. In 2021 his parents moved to New Mexico. Joel took the time to build his parents an off-grid house to enjoy their retirement.

In 2022 Joel joined the local volunteer fire department. He quickly became an asset to that organization and is now Chief of the Ocate/Ojo Feliz VFD.

In 2024 he was nominated and elected Chairman of the Republican party in Mora County. He is excited to help his county recover from years of mismanagement and destructive progressive policies. As a new member of the rules committee he brings, and shares, the concerns of conservatives in small counties in Northern New Mexico like Mora.

Also, in 2024 Joel met his future wife, Joy. He spent a year courting her and they were married on June 7th, 2025.

As a small business owner and husband Joel is happy to be working to strengthen Christian conservative values in his county and his state. He is happy and honored to be appointed to the rules committee to help unite our Republican party and flip this state red!
