

Rachel Martinez for RPNM 2nd Vice Chair

Beginning in 2020, I jumped in with both feet as a volunteer with the Republican Party of New Mexico, quickly advancing to support the Executive Director and the Trump Campaign. In that role, I helped organize offices statewide and managed volunteer onboarding and payroll. In 2021, I was asked to assist the Virginia State Elections Integrity Director during the historic election of Governor Glenn Youngkin.

In 2024, I stepped into expanded leadership roles focused on developing candidate programs, coordinating events, and supporting State Party operations. That year also brought profound personal loss with the passing of the driving force in my life and in New Mexico Election Integrity—a loss that strengthened my resolve to continue this work with purpose, integrity, and heart.

After serving in many capacities, my principles, work ethic, and commitment to service remain at the center of everything I do. I am deeply honored to help protect our future and to serve New Mexico in any way I can.
